

**Faith Christian Academy** was founded in 1973 and is located between Philadelphia and New York City. FCA is a non-denominational school with over 250 students in grades 9th—12th. Over 40 students are a part of our International Program. Our students participate in a variety of extra curricular activities such as Academic Fairs, Art Exhibits, Band, Chorus, National Honor Society, Soccer, Basketball, Baseball, and many others.

Our International Students will be placed in homes that have been carefully selected. Contact M&W Global Services at [info@mwglobalservices.us](mailto:info@mwglobalservices.us) for more information.

The course selections and academic tracks offered at FCA have been set in place to challenge students individually, recognizing the broad range of interests represented within the student body.

FCA is a very welcoming school for international students. After meeting the teachers and students, I became a part of a great family. I felt accepted since day one, and the more time I spent at the school, the more friends I made. I had the opportunity to create friendships with people all around the world, making my years at FCA some of the best in my life. I would strongly recommend any international student to come and experience FCA; it will shortly become their second home.

Dani Bonet—Spain, Class of 2013—Transferring to Penn State University

I am Murilo Laranjeira da Silva, better known as “Muri”, “Mur”, “Big Mur”, or whatever my friends wanted to call me to make things easier. I am 18 years old now, but when I was 16, I made one of the best decisions of my life: studying at Faith Christian Academy as an international student and graduating from there two years later. It was an amazing experience. At first I wasn't sure how it was going to be, but on my first day at the school I knew I went to the right place. Everyone at FCA received me as if I had studied there for my whole life. I felt welcomed and was a part of Faith's family from day one. I met awesome people—teachers, coaches, friends, and parents. FCA also has a great soccer program! There is a very special atmosphere there that I don't think can be found in many other places. I learned a lot as a student and especially as a person. I thank God for this very unique opportunity in my life and one day I hope my kids have the same chance I had.

Murilo Da Silva—Brazil, Class of 2014—North Greenville University

I began studying at FCA sophomore year. I totally enjoyed every moment I spent with the teachers and students there. They made me feel comfortable in a new environment. I made a great choice choosing FCA. I will never forget my experience there.

Marco Tan—Hong Kong, Class of 2013—Currently attending University of the Sciences

FCA is a place where I made a whole bunch of precious memories! Never in my life had I made so many friends from so many different countries and been with them over so many years. My life changed so much because of FCA. I became outgoing and good at socializing with other people. That has helped me so much in many aspects of my life!

Annie Min—Korea, Class of 2014—Currently attending Montgomery County Community College.
