## Academics

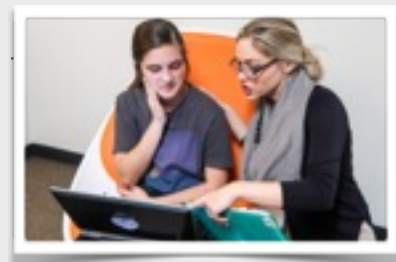

---

As you explore our campus, you will discover a consistent educational environment where students 7th -12th grade are challenged, to reach their full potential. The high expectations we share for your student(s) will be met with sincere love and encouragement with highly skilled faculty and staff. We feel confident that your committed son or daughter will emerge from each course with a deep understanding of the subject matter, an ability to think critically, and the confidence to conquer future challenges.

## Dual Credit

---

Our students are raising the bar for academic achievement. Each high school graduate will have the opportunity to graduate with anywhere from 12 to 60 hours of college credits as they pursue their endeavors for academic excellence.

## Welcome to Heritage

Heritage Christian Academy is a Christ-centered, dual-credit junior high and high school. Our pursuit of excellence integrates a rigorous, college preparatory curriculum, as well as a dual-credit program offering up to 2 years of college credits. Beyond the core foundational programs, HCA offers outstanding instruction and leadership in music, computer graphics, and practical internships. Our goal is to help your student develop in all areas. We place a premium on excellent academics as well as healthy social development and spiritual growth.

To compliment our compelling academic program, we offer a wide variety of extracurricular activities to allow students to find and strengthen their passions. Character and leadership skills will be strengthened through activities such as the arts, athletics, clubs, and community service. Your child will have opportunities at HCA to discover their unique place in God's kingdom and develop skills that will be of use to them well into their adult years. Whether on the stage, on the field, or in the classroom, your child will be known by name and guided intentionally by our caring faculty and staff.

## HCA HIGHLIGHTS

1. Heritage is a dual-credit high school where each student has the opportunity and is expected to be enrolled in college classes earning up to 60 college credits during their high school career.
2. Heritage take at least two educational trips a year to places such as New York City, Washington DC, and Orlando, Florida.
3. HCA has exceptional Host Families who are trained and ready to welcome each student into their home to take care of them and introduce them to all America has to offer.
4. Each week HCA has specific events for the International students and their host families to celebrate them, welcome them, and introduce them to different aspects of America.
5. HCA's annual tuition not only includes their high school curriculum, but also includes their college tuition.
6. Heritage is located in Huntsville, Tx, a beautiful midsize city in Southeast Texas. It is located on Sam Houston State University which gives students a small taste of going to an American University and what to prepare for in the future.
7. Since HCA is a dual-credit high school, a lot of focus is directed to preparing students for college through special reading and writing classes that are specifically aimed toward their college future.
8. HCA prides itself on its fun and innovative learning styles, from interactive teaching, computer and design classes, to fun and cool learning environments. Heritage knows that students have a better response to learning when they enjoy their environment.
9. Heritage offers over 100 different class options for students to choose from to broaden their high school experience and prepare them for their future college endeavors.
10. Heritage offers a competitive athletic program including sports such as soccer, volleyball, basketball and more.

## INTERNATIONAL STUDENT EXPERIENCE

Heritage Christian Academy is a premier International School located in southeast Texas that enrolls residential students. HCA hosts many international students every year from Brazil, China, France, Germany, Italy, Senegal, Spain, Thailand, Taiwan and beyond.

Our school's international community provides academic growth and social engagement with many extra-curricular activities to ensure a uniquely rewarding experience. Our faculty comprises numerous educators who, with their global awareness and experience abroad, promote academic and social support with a caring and engaged outlook. Along with education our international program allows student to be apart of many activities from weekly social events, regional educational outings, as well as annual destination trips to major USA cities. Also these students will have the opportunity to live with a loving family who will make their experience unforgettable and give them a home away from home.

Enrolling at a school that offers a residential program can be a wonderful opportunity to expand your academic studies, experience another culture, explore a new geographic location, gain a global perspective, develop your independence, and make friends from around the world.

## INTERNATIONAL HOST FAMILY

The Arnold's have 3 boys, two of which attend HCA. They enjoy sports, outdoor activities, and cooking as a family. They love hosting international students in their home because they get to share their family experiences, while learning about another's culture.
